*Notes:*

1. From October 2024, the Company ceased to own coal power consolidated installed capacity on a consolidated basis.
2. Certain figures included in this announcement have been subject to rounding adjustments, or have been rounded to two decimal places. Any discrepancies between the total shown and the sum of the amounts listed are due to rounding.
3. Due to damage and subsequent operational shutdown at the local grid substation serving the Ukraine project, power generation for the month decreased significantly as compared with the corresponding period of 2024. The substation is currently under repair.
